

# HERNANDO FARMERS' MARKET

January 26, 2009

Dear Hernando Farmers' Market Vendors & Potential Vendors:

The second annual Hernando Farmers' Market will begin on June 6, 2009 on the historic Hernando Courthouse Square. The market will last from 8:00 to 12:00 each Saturday until October 31, 2009. We may have a pre-market starting in April or May if there is enough interest (for early Spring vegetables and garden preparation items like compost and bedding plants). If you are interested in having a pre-market, let us know.

The booth fee is \$10 per week this year because we have hired a Market Manager and plan to do much more advertising of the market this year. If you sign up for the entire market and pay in advance you will receive a 10% discount. If are not reserving a spot for the entire market but know the dates you will be there, please let us know now so we can reserve your spot. Booth spaces are on a first come, first served basis, and preference is given to those who made the majority of the market last year.

We will not have a market on Saturday, July 4 or October 3 (Hernando Music Festival).

Please take a look at the rules that are attached to this letter. We had a great market last year and we want to be sure that we continue to do just that! Our goals are to improve the number of customers and to insure that we have a true Farmers' Market. That is why you will see a clarification of rules regarding arts and crafts items.

You may e-mail your reservation to [ofhjohnstone@bellsouth.net](mailto:ofhjohnstone@bellsouth.net) or call Shelly at 662-429-9092, extension 103.

Thank you.

Sincerely,  
Mickey Davis, Farmers' Market Committee  
Shelly Johnstone, Farmers' Market Committee
