**Example of a Holiday Week**
- Monday
- **Tuesday (Holiday - No Service)**
- Wednesday
- Thursday
- **Friday**
- Saturday (Day Added)

Garbage will be picked up only one day per week. Each color in the legend above refers to which specific day garbage will be collected in a specific area of the city.

If a holiday falls upon a specific collection day, the other collection days in the week will shift by one day. There will be another collection day added (Saturday) in the week to make sure every route is serviced.
